

THE GREEN ENERGY AWARDS

BRISTOL HARBOUR HOTEL
THURSDAY 26 MARCH 2026

Sponsorship Opportunities

REGEN

An overview

The Green Energy Awards are a leading national celebration of the innovative technologies, pioneering companies and inspiring individuals that are shaking up the energy system and driving towards a zero-carbon future.

Taking place at the beautiful Bristol Harbour Hotel, these prestigious awards are a highlight of the clean energy calendar and are a fantastic celebration of the sector.

The awards dinner brings together the entire sustainable energy industry, from policymakers to transmission and network operators to investors, suppliers, developers, ancillary services and everyone in between. Join us to celebrate, network and be inspired.

The Green Energy Awards dinner is a night of celebration and a chance to recognise the fantastic work that has been undertaken over the last year, in the journey towards a smart and sustainable energy system.

An opportunity

The 2026 Green Energy Awards are the perfect opportunity to:

- Position your company as a key player in the sector and highlight your organisation's capabilities as a sponsor of the dinner.
- Get a head start on lead creation and business development opportunities during the drink's reception.
- Host clients and develop business within your own network at your table.
- Reward your team members and celebrate together.
- Celebrate the inspiring work undertaken in our sector over the last year.

The night celebrates awards in the following categories:

- **Just Transition Scheme**
- **Clean Energy Project**
- **Net Zero Energy Pioneer**
- **Community Energy Initiative**
- **Local and Public Sector Net Zero Transformation**
- **Net Zero Energy Developer**
- **Whole System Technology Innovation**
